

# AlediumHR

## Medical & Nursing Schools

### **Academic Excellence Starts with the Right Talent**

AlediumHR specializes in recruiting top-tier healthcare professionals for medical and nursing schools nationwide.

Our extensive network of experienced academic faculty and clinical educators sets us apart — delivering candidates who elevate programs, inspire students, and support institutional growth.

### **Delivering Academic Leaders Who Inspire Excellence**

At AlediumHR, we're dedicated to recruiting highly qualified and experienced academic professionals. Our proven process ensures the right fit — empowering medical and nursing schools to build a culture of innovation, leadership, and educational excellence.

Our **HR** is Healthcare Recruitment

AlediumHR specializes in recruiting professors and administrative, clinical, and non-clinical staff for medical and nursing schools across the United States and Canada.
