AlediumHR

Physician Recruiting

Exceptional Physicians Across Every Specialty

Our extensive network connects you with top-tier, thoroughly vetted physicians across all areas of medicine.

Each candidate brings a proven track record, advanced qualifications, and the clinical expertise needed to meet your organization's unique medical staffing needs.

Focused on Filling Physician Roles — Faster and Smarter

AlediumHR is committed to reducing your cost per hire, accelerating your time to hire, and equipping you with the tools to find top physician talent in today's highly competitive market.

With the right providers in place, you can stay focused on what matters most — delivering exceptional care to every patient.

Our HR is Healthcare Recruitment

AlediumHR specializes in recruiting Family, General, Internal Medicine, OB-GYN, Cardiologists, Pediatrics, ER, Radiology, Surgeons, and more in the United States and Canada.
