## Executive Recruiting

### **Connecting Healthcare Organizations with Visionary Leaders**

AlediumHR specializes in placing high-impact healthcare executives and management professionals.

With deep industry insight and a powerful nationwide network, we match forward-thinking organizations with proven leaders who drive innovation, operational excellence, and measurable results.

### **Comprehensive Leadership Recruitment Across Healthcare**

AlediumHR places top talent in mid-level, senior, and executive roles across the healthcare spectrum.

From nursing and physicians to hospital administrators, HR, IT, and beyond — our targeted approach ensures you secure the right leaders in today's highly competitive hiring landscape.

## **Our HR is Healthcare Recruitment**

AlediumHR excels in the recruitment of C-Level Management, Hospital Administrators, Nurse and Physician Management, IT, HR, Department Directors, VPs, SVPs, EVPs, and other important clinical and non-clinical positions throughout the United States and Canada
